**Mission Statement:** Dana's Dance Center is a  
community-based dance school. Our goal is to  
offer an excellent dance education while  
providing motivation, encouragement and  
progression. We help our students age 2 1/2  
through adult build life skills including self-  
esteem and confidence in a non-judgmental,  
nurturing environment where everyone is  
welcome. Our order of priorities is FUN,  
exercise, education and performance. We know  
each child is unique therefore we tailor every  
class to meet the needs of the group. The  
teachers and assistants at DDC have great  
enthusiasm for dance and share this with their  
students in class. Dana's Dance Center's goal is  
to provide a positive experience for all of our  
dancers. At DDC every child is special. Whether  
you are a recreational or serious minded dancer,
