

## **WatchTVEverywhere Customer Notification**

As an SKT TV customer, you have access to WatchTVEverywhere, which offers online content for many popular networks included in the TV package(s) that you subscribe to. Registered users of WatchTVEverywhere must comply with the WatchTVEverywhere Acceptable Use Policy requirements listed below:

“Registered User” shall mean only the individual customer who entered into an agreement with the Company for the use of WatchTVEverywhere service, and up to three (3) members of either (a) the individual customer’s household or (b) dependent children of the individual customer who are not members of the individual customer’s household with access to the WatchTVEverywhere service. The term “use” means the act of registering and/or authenticating to view WatchTVEverywhere content.

Registered User shall be responsible for ensuring compliance with the foregoing limitation on use of WatchTVEverywhere service and content. If a Registered User violates this policy by allowing a third party to use the WatchTVEverywhere services, the Company may disconnect the WatchTVEverywhere service.

The failure of the Company to enforce this restriction on use, for whatever reason, shall not be construed as a waiver of any right to do so at any future time. The Registered User agrees that if any portion of this restriction is held invalid or unenforceable, that portion will be construed consistent with applicable law as nearly as possible, and the remaining portions will remain in full force and effect.

Thank you for your compliance with the above requirements.
